Easy | 20 min

INGREDIENTS

FOR 4 SERVINGS

1 pack / 300 g puff pastry

1 egg yolk

2 tbsp. milk

60 g Nutella® for the topping

METHOD

1 Preheat oven to 190°C.

2 Roll out the ready-made puff pastry on a strip of baking paper. Cut the pastry into the shape of a Christmas tree.

3 Cut short branches into the tree, using the trunk as a guide. Twist the branches away from you.

4 Mix the egg yolk and milk together and brush the tree with the mixture.

5 Bake the pastry for 12 – 15 minutes, let it cool and decorate it with Nutella® using a piping bag. For an extra festive look, you can decorate your tree with cranberries or pomegranate seeds.
