

# Easter Colomba Cake with NUTELLA® and Strawberries

## INGREDIENTS for 4 portions

- ✔ 12 Slices of Colomba
- ✔ 60 g Nutella® (15 g/portion)

## STEP 1

Cut the Colomba into fairly thin, regular-sized slices. Wash/clean the strawberries, then cut them into slices. Spread one slice of Colomba with Nutella®, then place onto it another slice of Colomba, and then place the strawberries on top.

## STEP 2

Close the sandwich with another slice and hold it together with a cocktail stick. Repeat the above to create 4 sandwiches.
