Easy

55 min

INGREDIENTS

for 12 portions

2 rolls of puff pastry

4 apples

Juice of ½ a lemon

20g butter

80g caster sugar

5g ground cinnamon

1 egg, to brush

180g of Nutella®

To prepare this delicious recipe, 15g of Nutella® per person is enough to enjoy!

METHOD

1

Preheat your oven to 180 ° C. Peel and cut apples into small cubes. Keep the apples in a bowl with the lemon juice.

2

Melt the butter in a skillet over medium heat, then add the apples.

3

Add sugar and cinnamon and cook for 10 minutes, stirring occasionally. Let cool for 10 minutes. Crush the apples with a spoon, to obtain the consistency of a compote.

4

Spread the applesauce on the first roll of puff pastry, leaving a 1 cm edge for soldering.

5

Cover with the second puff pastry. Using a knife, cut the dough into a fir tree. Then cut strips of dough on both sides to get the branches. Carefully wrap each slat in order to twist them.

6

Gently wrap each slat to twist. Using a pastry brush, brush the whole tree with the beaten egg. Bake the Christmas tree for 25 minutes.

7

Using a piping bag, add 15g of Nutella® to each branch.
