WHAT IS NEEDED

An empty Nutella® jar with a lid

A 10 meter long rope

scissors

food coloring of your choice

transparent glue

skewer

grilanda/flashlight/candle

METHOD

- 1 Pour a drop of food coloring with a little -transparent liquid glue into the jar-
- 2 Mix using the skewer until the desired shade is obtained
- 3 Start moving the jar in every direction until the entire jar has been colored (the skewer can be used as well) and let the jar dry
- 4 Cut 8 pieces of rope measuring about 1.2 meter each
- 5 Take all 8 pieces of rope and tie their ends
- 6 Paste onto the base and tie the ropes in pairs (with approximately a 5 cm gap from the base)
- 7 Split the ropes and tie them again in pairs with the rope located on the other side
- 8 Repeat this stage until the ties "envelope" the entire height of the jar
- 9 Tie the remaining rope at the desired length and insert the grilanda/flashlight/candle into the jar
