

## DO IT YOURSELF

## Your Christmas holiday decoration with an empty Nutella<sup>®</sup> jar

## WHAT IS NEEDED

l clean, empty Nutella<sup>®</sup> jar with lid A string of mini fairy lights with battery Mini Christmas baubles Assorted pine cones

## **METHOD**

Place pine cones and baubles in the jar, in alternate layers.

2

Now insert the light string. If possible the battery box should be at the top close to the rim, so you can easily switch it on and off.

3

Now fill up the remainder of the jar, arranging it with alternating layers of baubles, cones and the light string. Finally, screw the lid onto the jar.
