10 Portions

30 min

INGREDIENTS

for 8-10 portions

For the cake pops

150 g Sugar

3 Eggs

150 g Butter

150 g Plain flour

1 Teaspoon of baking powder

For decoration

15 g Nutella[®] per cake pop

Hundreds and thousands to taste

To prepare this delicious recipe, 15g of Nutella[®] per person is enough to enjoy!

METHOD

1

Beat the eggs together with the sugar and the softened butter. Then add the flour mixed with the baking powder.

2

Put the dough into the cake pop mould with the help of a spoon and bake for approximately 8-10 minutes. Alternatively, you could also use a mini muffin tray.

3

Let the cake pops cool down, then insert a stick into each. Dip the cake pops into a bowl of Nutella® and cover the surface. Finally, dip them into a plate of hundreds and thousands or grains.

**Can be served to cake fans of any age.
