

DO IT YOURSELF

Easter egg hunt Nutella[®] jar

Easy

To make it, you will need:

1 empty Nutella[®] jar without a lid

Any colour acrylic paint

Felt paper in any two colours

Acrylic pen

Paint brush

Small artificial flowers

Cotton ball

Craft scissors

Glue gun

INSTRUCTIONS

1 | Paint the empty Nutella® jar with an acrylic paint of your choice and allow to dry. You can give it a second coat if necessary. After the primer has dried, you can decorate your jar with dots in a different colour.

Note: As every type of paint reacts differently on glass, read the paint instructions carefully. Don't forget to cover your work surface.

2 | Now give your bunny a face! Use the acrylic pen to draw on the eyes, nose and mouth. Then glue the cotton ball to the back as a tail. Note: Be careful not to burn yourself when using the glue gun. Children should be supervised by an adult.

3 | Now, hopefully you're all ears... Cut the large ears out from a dark colour of felt paper and the smaller ears from a lighter colour. Then carefully glue the small ears onto the large ears and attach them to the front of the jar using the glue gun.

4 | Add the finishing touch to your bunny jar by attaching three small artificial flowers as a garland below the ears. Your bunny collection jar is now finished! Keep it for yourself or give it as a present!
