# Good vibes Nutella® jar

Easy

## To make it, you will need:

- 1 empty Nutella® jar with lid
- Acrylic pen
- Stickers
- White paper
- Small chain of fairy lights

## INSTRUCTIONS

- 1 Print out our template of the "Good Vibes Jar" lettering or create your own. Glue it to the inside of your jar. Carefully trace the lettering onto the outside with an acrylic pen.
- 2 Think about what would make your favourite person happy? Whether it's a compliment or an idea for a day trip together, write it on a small piece of paper, roll it up and seal it with a heart sticker, for example. Why not use different coloured stickers for compliments and experiences?
- 3 Fill the jar with your messages and add the fairy lights. Finally, close the jar with the lid.  
Your Nutella® jar of good vibes is ready to meet its lucky recipient!
