

DO IT YOURSELF

Halloween Mummy Jar

Easy

To make it, you will need:

An empty Nutella® jar

1 gauze bandage

1 piece of white cardboard

1 piece of black cardboard

1 pen

Scissors

Glue

LED tea light or chain of fairy lights

INSTRUCTIONS

- 1 Cut an approx. 120 cm-long piece of gauze bandage and fold it once along the long side. Apply some glue to the bandage and wrap it around the Nutella® jar overlapping it as you go.
- 2 Place an LED tea light in the lid or a string of LED lights in the jar, close it and stand it upside down on the lid.
- 3 Now draw two large circles for the eyes on the white cardboard and two smaller ones for the pupils on the black cardboard. Cut out the circles and glue the black ones onto the white ones.
- 4 Now glue the eyes onto the mummy jar. Done!
