

DO IT YOURSELF

The Spring Jar

Easy

WHAT IS NEEDED

1 large clean Nutella® jar (750g)

Assorted coloured adhesive tape and stickers of your choice

Flower bulbs

Stones

Water

METHOD

If there's lots of soil clinging to your flower bulbs, brush it off and trim the roots.

Fill the jar with stones.

Place the flowers or bulbs into the jar.

Fill the jar with water to just above the rim.

Now decorate as you like, using the adhesive tape.

Your springtime jar is ready!
