

Puff Pastry Tree by Nutella® recipe

Easy

20 min

INGREDIENTS

for 4 servings

1 pack / 300 g puff pastry

1 egg yolk

2 tbsp. milk

60 g Nutella® for the topping

METHOD

1

Preheat oven to 190°C.

2

Roll out the ready-made puff pastry on a strip of baking paper. Cut the pastry into the shape of a Christmas tree.

3

Cut short branches into the tree, using the trunk as a guide. Twist the branches away from you.

**4**

Mix the egg yolk and milk together and brush the tree with the mixture.

**5**

Bake the pastry for 12-15 minutes, let it cool and decorate it with Nutella[®] using a baking pipe. For an extra festive look, you can decorate your tree with cranberries or pomegranate seeds.
