

## **Puff Pastry Tree by Nutella® recipe**

Easy

20 min

## **INGREDIENTS**

for 4 servings

1 pack / 300 g puff pastry
1 egg yolk
2 tbsp. milk
60 g Nutella® for the topping

## **METHOD**

Preheat oven to 190°C.

Roll out the ready-made puff pastry on a strip of baking paper. Cut the pastry into the shape of a Christmas tree.

Cut short branches into the tree, using the trunk as a guide. Twist the branches away from you.

Mix the egg yolk and milk together and brush the tree with the mixture.

Bake the pastry for 12-15 minutes, let it cool and decorate it with Nutella<sup>®</sup> using a baking pipe. For an extra festive look, you can decorate your tree with cranberries or pomegranate seeds.
