

DO IT YOURSELF

The Spring Jar

Easy

WHAT IS NEEDED

1 large clean Nutella® jar (750g)

Assorted coloured adhesive tape and stickers of your choice

Flower bulbs

Stones

Water

METHOD

1

If there's lots of soil clinging to your flower bulbs, brush it off and trim the roots.

2

Fill the jar with stones.

3

Place the flowers or bulbs into the jar.

4

Fill the jar with water to just above the rim.

5

Now decorate as you like, using the adhesive tape.

6

Your springtime jar is ready!
