

Christmas Tree Decoration

Medium

WHAT IS NEEDED

3 empty Nutella[®] Jars (30g) with their lids Glittery white and red papers A red ribbon Different small strings Small pompoms White glitter powder Red glitter powder Scissor Glue Spoon Compass

METHOD

Trace and cut two 2 cm radius circles in the glittery white paper.

Stick them on top of the lids.

Drill a small hole in the middle of each lid.

Fold the string in 2 and pass it through the hole.

Stick the tip inside the lid.

Stick a ribbon around the white glittery lids, adjust its size.

Half fill a jar of pompoms.

Half fill a jar of red glitter powder.

Fill half a jar of white glitter powder.

Screw the lid.

Hang the jar on your tree with a hook.
