- 8 egg whites
- 180 g Nutella[®]

METHOD

Preheat oven to 230°C. Mix the flour, 5 eggs, almond flour and sugar.

Place the dough on two baking trays lined with baking paper and bake for 6 to 8 minutes. Take out the baking trays and let the cakes cool down for 2 minutes.

Turn each cake upside down onto a flour-dusted tea towel. Carefully peel off the baking paper. Roll up each cake in the towel and let it cool.

**5**

Unroll each cake and spread half of the Nutella[®] over the surface. Roll up the cakes again. Pipe remaining Nutella[®] over the rolls and cut off the edges. Decorate as you like.
