How to make a pen holder from an empty Nutella[®] jar

Easy

WHAT IS NEEDED

- 1 empty Nutella[®] jar
- Spray paint
- Self-adhesive lace tape
- Double-sided adhesive tape
- Cord or string
- Scissors
- Pens

METHOD

**1**

Spray the jar in the colour of your choice.

**2**

To make sure the cord stays firmly in place, wrap some double sided adhesive tape around the threaded neck of the jar.

**3**

Now you can wrap your chosen cord or string over the adhesive tape.

**4**

Stick the lace tape around the jar. You can vary the position and number of rows of tape as you prefer.

**5**

Now, simply fill your jar with pens. All done!
