

Christmas Vase

Medium

WHAT IS NEEDED

1 empty Nutella® Jar (750g)

Mixtion (glue for gilding)

Gold leaf (or copper)

1 very soft brush

Glue gun

METHOD

1

Apply the mixtion on the outside of the jar, up to half

Cut the flat part of the lid with a cutter

Apply the gold sizing adhesive on the outside of the jar according to the pattern of your choice

2

Let the mixtion to dry for 10 minutes

Gently lay the gold leaf

Tap lightly with the brush

Rub lightly to remove excess gold leaf

Replace the lid

3

Around the jar, leave a ling of glue

Cover with white ribbon

You can use it now for your Christmas flowers!
