Brown, white and red spray paint

Googly eyes stickers

Red, orange and black pieces of felt

Glittery white paper

Glittery red paper

4 wooden sticks

Black buttons

White fluffy ribbon

A white velvet ribbon

1 glue gun + glue sticks

Compass

Scissor

pencil

metallic ruler

METHOD

1

Colour with the spray paint:

- A jar and the top of its lid in brown
- A jar in red
- A jar in white

Let it dry.

Using a compass, cut out a circle of 3.7 cm radius in the red and glittery white paper.

Stick circles on the 2 unpainted covers.

2

Glue a pair of eye stickers on the white jar and the brown one.

Cut the felt:

- a circle in the red felt for the nose of the reindeer
- a strip 2.5 x 27 cm high in the black felt
- a 4x4 cm square hollowed out of a 2.5x2.5cm hole in the glittery white paper

-triangle in the orange felt for the nose of the snowman

Glue the felt belt over the red jar in the middle (in the centre of the waistband stick the square to make the loop), the red nose of the deer, the carrot on the white pot.

Stick the black buttons on the white jar to make the snowman's mouth.

Cut and paint the sticks for the reindeer.

Assemble the reindeer antlers.

Glue the assembled antlers on the brown lid.

Stick the wavy ribbon around the red lid.

Glue the white velvet ribbon around the white lid.

Close the jars and your figures are ready!
