In a non-stick saucepan, cook the blueberries on a low heat together with a tablespoon of sugar until most of the liquid has evaporated. Spread a delicate layer of this mixture on the surface of the cake. From the remaining dough, make strips to place across the top, overlaying them in a lattice pattern. Bake in a pre-heated oven at 180°C for approximately 40 minutes. Remove from the oven and allow to cool before serving. Accompany each slice with a portion of Nutella®.
