

RECIPE

Puff Pastry Tree by Nutella® recipe

Easy

20 min

INGREDIENTS

FOR 4 SERVINGS

1 pack / 300 g puff pastry

1 egg yolk

2 tbsp. milk

60 g Nutella® for the topping

To prepare this delicious recipe, 15g of Nutella® per person is enough to enjoy!

METHOD

1

Preheat oven to 190°C.

2

Roll out the ready-made puff pastry on a strip of baking paper. Cut the pastry into the shape of a Christmas tree.

3

Cut short branches into the tree, using the trunk as a guide. Twist the branches away from you.

**4**

Mix the egg yolk and milk together and brush the tree with the mixture.

**5**

Bake the pastry for 12 – 15 minutes, let it cool and decorate it with Nutella® using a piping bag. For an extra festive look, you can decorate your tree with cranberries or pomegranate seeds.
