# Homemade playdough in a Nutella® jar

Medium

## To make it, you will need:

An empty Nutella® jar

Flour

Salt

Sunflower oil

Food colouring

Water

A deep bowl

A tablespoon

A measuring cup

A suitable work surface for kneading

## INSTRUCTIONS

1

Put two cups of flour in the bowl.

2

Add one cup of salt, four tablespoons of sunflower oil and one cup of water. Mix well.

3

Once the mixture comes together, take it out of the bowl, place it on your work surface and knead well with your hands.

4

Divide the mixture into three pieces and mix them with the food colouring. Your homemade playdough is ready!

5

Place the finished playdough in the empty Nutella® jar and keep it in the fridge.
