WHAT IS NEEDED

1 empty Nutella jar (350g)

White acrylic paint

Spray adhesive

Red drawing paper 6x26cm

Pencil

Scissor

Glue

Metallic ruler

Electric candle

METHOD

- 1 Spray the jar with the white acrylic paint in a random pattern, creating a snow effect.
- 2 Cut out a strip of red paper 6 x 26 cm.
- 3 Draw the pattern of your choice (eg Christmas village) in the red paper strip.
- 4 Cut out the outline and some interior elements.
- 5 Glue your village / pattern on the jar.
- 6 Install the candle in the jar and turn it on.
It's ready!
