

# Puff Pastry Tree by Nutella®

Easy

20 min

## INGREDIENTS

### FOR 4 SERVINGS

1 pack / 11 oz puff pastry

1 egg yolk

2 tbsp. milk

3 tbsp of Nutella® for the topping

## METHOD

**1**

Preheat oven to 375°F.

**2**

Roll out the ready-made puff pastry on a strip of baking paper. Cut the pastry into the shape of a tree.

**3**

Cut short branches into the tree, using the trunk as a guide. Twist the branches away from you.

**4**

Mix the egg yolk and milk together and brush the tree with the mixture.

**5**

Bake the pastry for 12-15 minutes, let it cool and decorate it with Nutella<sup>®</sup> using a baking pipe. For an extra festive look, you can decorate your tree with cranberries or pomegranate seeds.
